Dear Sir or Madam:

This is a letter of support for Cumberland Cellular Partnership in its application to the Public Service Commission of Kentucky for construction and operation as a new cell facility to provide cellular radio service located at 900 KY Old Loop #3, Monticello, Kentucky 42633.

I live in Monticello and desperately see the need for this service. I live alone and when traveling on highway 90 there are spots where I can't get cellular service. The location of this tower will solved this problem for me.

Sincerely,

Katy Upchurch
